Features you need, Prices you want.

Full-Spectrum, Cinema Quality Color

With Bi-Colored LED bulbs, ikan's Featherweights create a powerful flood light that lets you enjoy soft, beautiful light and excellent color purity in just about any shooting scenario. This is the LED light you've been looking for.

Easy-to-Adjust Light Intensity

With a touch-sensitive digital display, a dimmer knob, and a remote control, you have options when it comes to adjusting the light intensity. The IFB Lights put you in control so you can get the perfect lighting for your shot every time.

Exceptional Quality

As the IFB Light comes equipped an AB to V-Mount pro battery plate, barn doors with intensifiers, diffuser, power supply, remote control, and yoke mount, it is an exceptional value.
