

2 Stage Aluminum Tripod with GH06 Head (E-Image)

UPC: 847983009763

Overview

The EG06A2 is a tripod kit built for moderate loads with customization in mind. With this kit, you can comfortably mount a medium-weight rig or even a portable teleprompter kit like the PT-ELITE-V2, or PT-ELITE-PRO without difficulty and dial in the settings you need for the perfect shot.

The GH06 Fluid Video Tripod Head has a recommended payload of 13 lbs, includes a GB2 Pan handle and GP1 quick release plate, and fits into a 75mm bowl. Pan and Tilt drag each have 4 stages of adjustment (0-3) and the counterbalance has six stages that can be dialed in. The GH06 has one rosette for mounting pan handles can support any of the three handles available from E-Image.

The GA752 tiered video tripod legs can hold a whopping 88 lbs, and utilize a convenient mono-lock system that allows you to lock and unlock both stages of each extendable leg with one motion.
