## FG Follow Focus Cine-Kit

ONE SHEET

### Overview

Introducing the highest quality geared follow focus in its class. ikan's FG Follow Focus offers precision machined aluminum construction, light weight design, beveled dry erase marking disk, and is compatible with all ikan Elements kits and/or any 15mm rod-based camera support system.

Driven by a 2" diameter control wheel, the FG Follow Focus features low backlash and is compatible with standard film pitch gearing of .8 MOD supported by a 2.3" diameter focus gear. The horizontal adjustment feature accommodates a wide range of DSLR lens diameters and is complimented by a focus mark indicator and lockable focus control.

**ELE-FGK | FG Follow Focus Kit | UPC Code: 847983002818**

## Reaching Out

The included 17" FG Follow Focus Whip features vinyl covering and a crank stability grip for smooth control. Utilizing a standard 3/4" square connector, the FG Whip provides leverage over distance and smoother focus pulls all around.

## Crank It Up

Our 2.3 FG Follow Focus Crank Knob provides rapid focus, allowing you to move from focus mark to focus mark at a high rate of speed. Fitted with standard size square connector, The FG Crank Knob offers fast and accurate control.

## Get It In Gear

Also in the box is a pair of 2.5 to 4.25 diameter adjustable zip lens gears. Complete with two no scuff, non-slip lens gear liners; your DSLR lens is protected and ready to pull focus.
