

# ELE-MASTER

## The ikan Elements Master Kit

### Master the Possibilities

Now you can build any ikan Elements configuration with one simple solution...the ikan Elements Master Kit. This convenient set includes all of the hardware needed to build any one ikan STARTER FLY, BASIC FLY, DELUXE FLY, SUPER FLY, 3D STEREOSCOPE DELUXE or design a custom configuration to accommodate your specific shooting needs.

Designed with you in mind, the Elements line is everything you love about camera support, only lighter, smaller and simplified. With the Elements, you aren't bound to someone else's vision. You can customize your camera rig exactly the way you want it. At ikan, we understand one size does not fit all in regards to camera rigs or operators. We created the Elements to be customizable in an infinite number of ways so you get the features you need at the price you want.

**\$ 899.00**
