

ES-T37-A

Panasonic GH4/GH5 Rig with Wooden Handle (*Tilta*)

ONE SHEET

Overview

The ES-T37-A is a versatile camera cage for professional shooters. It fits both the Panasonic GH4 and GH5 Micro Four Thirds mirrorless cameras. The cage is fitted to the dimensions of these cameras with easy access to the battery and side compartments.

The ES-T37-A has over 85 threaded accessory mounts, three cold shoe mounts, an integrated lens adapter mount, and a baseplate with both a 15mm rod system and track for a 15mm lightweight dovetail plate.

ES-T37-A | Panasonic GH4/GH5 Rig with Wooden Handle (*Tilta*) | **UPC Code:** 847983022106

ES-T37-A

Features you need, Prices you want.

Includes Wooden Control Handle

The ES-T37-A comes with the TT-0511-R, a wooden control handle with Start/Stop video controls. The same button can also trigger the shutter in photo mode. The handle attaches to the side of the cage via ARRI-standard rosette.

Baseplate Support

The ES-T37-A includes a 15mm Light Weight Support (LSW) quick release base with an integrated lens adapter mount. Users can simply remove the body of the rig from the base by unlocking the quick release, releasing the safety latch, and sliding off the unit. The cage base has both an integrated 15mm rod system and a track for a 15mm lightweight dovetail plate, giving the user multiple mounting, balancing, and accessorizing options.

NATO Rail Top Handle

A removable top handle with a cold shoe mount is included with the ES-T37-A. The handle can be easily mounted to or removed from the NATO rail on top of the cage body. The handle can also be rotated in 90 degree increments by loosening the top screw. Additionally, the ES-T37-A includes a 15mm rail mount that can be mounted to either end of the top handle and secured with two screws.

Versatility

The ES-T37-A can be configured to work as a simple cage, accessorized with the wooden TT-0511-R control handle or the included top handle, mounted to a lightweight dovetail plate, and even converted into a shoulder rig with optional accessories.
