

# 17" Double Slider (E-Image)

## **ONE SHEET**

### **Overview**

The E-Image ES35 slider uses a unique tracking mechanism that provides 17.3" of sliding range in a unit that is only 13.8" long. Its 16 layer carbon fiber frame and CNC machined components form the core of a ruggedly sturdy slider that is both durable yet smooth in operation. This slider is perfect for run-and-gun style shooters who require maximum quality video with minimal gear. The shuttle of the ES35 will accept both ½"-20 and 3/8"-16 threading and will operate without issue with payloads up to 22 lbs.
