

Overview

The EVF50-KIT takes the popular DH5e monitor and makes it even better. This kit adds an aluminum form-fitting cage with a built-in high-quality viewfinder. The cage adds protection for the monitor as well as additional 1/4"-20 mounting points and cable locks. The viewfinder is able to easily flip up and includes a Bluestar Ultrasuede eye cushion that provides function and comfort. The monitor supports 4K and includes a super sharp 1920x1080 screen with HDMI inputs and outputs.

Special Features
