

# GH03F

Flat Base Pro Fluid Video Head 11 lbs Max (E-Image)

ONE SHEET

## Overview

The GH03F Flat Base Pro Fluid Video Head is an affordable tool designed for use with tripods, sliders, jib arms, or wherever you require smooth cinematic control of your camcorder, micro 4/3 camera, or DSLR camera of up to 11 lbs.

This sturdy head's fluid drag control employs an adjustable friction torque plates which allow you to set the head's pan and tilt action to match its payload. Its innovative Easy-Lock base plate system allows you to quickly and effortlessly attach the quick release plate to the head in two ways: by snapping the plate onto the head from the top, or by sliding the camera plate into place from the back of the head. Add to this a built-in bubble level and a 1/4"-20 threaded monitor mounting point to complete a professional, and versatile, tripod head package.

GH03F | Flat Base Pro Fluid Video Head 11lbs Max (E-Image) | UPC Code: 847983012091
