

GH06

75mm Pro Fluid Head 13.2 lbs Max (E-Image)

ONE SHEET

Overview

The GH06 Fluid Head is designed and built for professional videographers and cinematographers who want real quality at an affordable price. This professional fluid tripod head delivers field-tested reliability, solid construction, and many features required for professional performance.

The GH06 features a 75 mm bowl mount, with fixed counterbalance, that supports payloads of up to 13.2 lbs. The counterbalance, combined with a variable tilt drag, allows you to adjust the fluid head's movement to suit your needs. Its innovative Easy-Lock base plate system allows you to quickly and effortlessly attach the quick release plate to the head in two ways: by snapping the plate into the head from the top, or by sliding the camera plate into place from the back of the head. Add to this a built-in bubble level and a 1/4"-20 threaded monitor mounting point to complete a professional tripod head package.

GH06 | 75mm Pro Fluid Head 13.2 lbs Max (E-Image) | **UPC Code:** 847983010431
