PT2100 Teleprompter in one easy case.

HC-2100 Carrying Case for PT2100 Teleprompter

Since its' arrival, the PT2100 has been our most impressive teleprompter for one, key feature... portability. Now, with the release of the new ikan branded Nanuk cases, PT2100 owners can not only enjoy the benefits of this portable solution but now also transport this equipment with ease and confidence. The high-density foam inserts are custom cut to fit the PT2100 when the small form teleprompter is disassembled. The compact design of the PT2100 and its ease of disassembly make it quick and painless to pack-up within minutes.

Waterproof, crushproof, dustproof and impact resistant, the Nanuk case for the ikan PT2100 is the perfect solution for the location shooter.
