

HomeStream™ Video Kit #2 with 2 Desktop Lights, Podcast Microphone & Adjustable Mic

Overview

This [ikan HomeStream™ audio & lighting kit](#) is for those looking to upgrade to a professional-level at-home studio setup. Designed for E-learning, E-conference, live streaming, and online video content creation, this bundle will take your professionalism to a whole new level. Two bi-color soft lights are included with stands that feature adjustable swivel and rotation. These lights will help your existing camera set up by removing camera grain, eliminating harsh facial shadows, and preserving your skin tone. We've bundled the Comica STM-USB podcast microphone with a flexible & durable arm to combine professional audio quality with this elegant lighting setup.

Specifications
