

HomeStream™ Video Kit #4 with 2 Desktop Lights, Pull-Up Green Screen, HDMI Capture Device, Adjustable Camera Stand, Podcast Microphone w/ Adjustable Arm

Overview

This [ikan HomeStream™ kit](#) comes with everything you need to get started on your professional at-home studio setup. Designed for E-learning, E-conference, live streaming, and online video content creation, this bundle will take your professionalism to a whole new level. Use the HomeStream video capture device to easily capture an HDMI feed straight to your computer from your DSLR, pocket cinema camera, or camcorder which can be mounted on the included compact heavy-duty camera stand with adjustable height. Two bi-color soft lights are included with stands that feature adjustable swivel and rotation. We've bundled the Comica STM-USB podcast microphone with a flexible & durable arm to add professional audio quality to your setup. To top it all off, an ultra-convenient height-adjustable pull-up green screen is included for all your chroma key needs.
