

HomeStream™ 6" Diameter Accent Light with Variable Height Table Top Stand

Overview

The [ikan HomeStream™ 6" Diameter Accent Light](#) gives your at-home workspace the professional video quality you've been looking for. Each light comes bundled with a highly durable desktop stand with an aluminum build and a ball head to tilt & rotate the light in any direction. The 7" diameter of the base will ensure your lights will never topple over, even when tilted at a full 90°. The stand's variable height ranges from 13.75" to 21.5" and will clear the height of almost any desktop monitor on the market.
