

HomeStream™ 21" Variable Height Table Top Camera Stand

Overview

The [ikan HomeStream™ 21" Variable Height Table Top Camera Stand](#) is a highly durable desktop stand with an aluminum build and a ball head to tilt & rotate your camera in any direction. The 7" diameter of the base will provide your camera with extra security when adjusting the tilt & rotation. The stand's variable height ranges from 13.75" to 21.5" and will clear the height of most desktop monitors on the market. The HS-LSTND is for those seeking to upgrade their at-home video quality.
