

IFB576-2PT-KIT-CH

Kit with 2 x IFB576 LED Studio Lights & Chimera Soft Boxes

ONE SHEET

Overview

The 2-Point Light Kit features include bi-color capabilities and a 60-degree angle that delivers reliable, consistent performance.

The IFB576 Featherweight Bi-Color LED Light features 576 energy efficient LED lights that allow you to easily adjust and control the color temperature between 3200K Tungsten and 5600K Daylight using the LCD touchscreen. Large rotary knobs are also offered for dimming and dialing in color temperature. The compact design with integrated yoke mount makes the IFB576 portable and easy to set up. A multi-voltage AC power supply is included and for portable power a pro battery plate for both Sony V-mount and Gold mount are supplied. A removable diffuser is included and the pre-mounted four leaf barn doors with intensifiers can be folded flat for transportation.
