650 Watt Tungsten Open Face Light w/ Barn Doors (*Lightstar*)

ONE SHEET

## Overview

The Lightstar 650-Watt Tungsten Open Faced Light is a compact and reliable lighting fixture. Its small footprint makes it ideal for on-location shoots or for studios with limited space. Constructed out of lightweight, durable aluminum housing, the LHS-002 features a focusable 36-70° beam angle. It also includes Ikan's reliable barn doors and a safety screen.

# LHS-002

Features you need, Prices you want.

## Barn Doors Included

Barn doors will help you cut and shape the light to suit your needs.

## Aluminum Construction

The aluminum housing helps to cool the light as well as making it as lightweight as possible.

## Open-Faced Fixture

An open faced light will provide you with an overall brighter light, which is beneficial for any lighting production.
