

LS-1200PT

1200 Watt HMI PAR Kit (*Lightstar*)

ONE SHEET

Overview

The Lightstar 1200 Watt PAR Light Kit with electronic ballast delivers crisp, clear and balanced daylight. A hot light won't be an issue as the aluminum alloy chassis provides quick heat release. It also comes with a five lens set that allows you to focus in any direction to capture the best shot. With its durable coating and industrial connectors, the 7 meter long head to ballast cable enables it to endure the most demanding environments with ease. The electronic ballast can handle flicker free shooting up to 10,000 fps. Best of all, it is smaller and lighter than the standard magnetic ballast! Along with the included barn doors, this light is perfect for your day-to-day production needs.

LS-1200PT | 1200 Watt HMI PAR Kit (*Lightstar*) | UPC Code: 847983020362

LS-1200PT

Features you need, Prices you want.

Aluminum Alloy Fixture

The heavy-duty aluminum alloy light fixture enables head to dissipate much faster

5 Lens Set

The five lens set provides all the control you need for any PAR light. It includes these types of lenses: Spot, Flood, Narrow Flood, Super Flood, and Frost

High Output Efficiency

The output efficiency is greater than 90% with special parabolic reflector.

Barn Doors Included

The large barn doors allow you to easily shape and cut the light as needed.

Powerful Electronic Ballast

The electronic ballast provides flicker-free shooting up to 10,000 fps.

Head to Ballast Cable

The heavy duty 7 meter ballast cable extends far enough for you to place the light away from the ballast.
