

# LS-6000PE

6000 Watt HMI PAR Kit (*Lightstar*)

ONE SHEET

## Overview

The Lightstar 6000 Watt PAR Light Kit with electronic ballast delivers a crisp, clear and balanced daylight. A hot light won't be an issue as the aluminum alloy chassis provides quick heat release. It also comes with a five lens set that allows you to focus in any direction to capture the best shot. With its durable coating and industrial connectors, the 7 meter long head to ballast cable enables it to endure the most demanding environments with ease. The electronic ballast can handle flicker free shooting up to 10,000 fps. Best of all, it is much smaller and lighter than the standard magnetic ballast! Along with the included barn doors, this light is perfect for your day-to-day production needs.

LS-6000PE | 6000 Watt HMI PAR Kit (*Lightstar*) | UPC Code: 847983020430
