

LSKT-002

ON THE GO-02 3PT Tungsten Fresnel Light Kit (*Lightstar*)

ONE SHEET

Overview

The Lightstar ON THE GO-02 Three Light Tungsten Kit is durable as well as versatile! Its heavy-duty craftsmanship can output 1100-Watts of tungsten light. The kit consists of one 150-Watt Fresnel, one 300-Watt fresnel, and one 650-Watt Open Face light. Barn doors and diffuser frames are among the included accessories that set this kit apart from the competition. Three light stands, one soft case, with handles, and easy transport casters are also included in this great package.

LSKT-002

Features you need, Prices you want.

Powerful Light Output

Shooters can expect this kit to provide more than enough power for their lighting needs. The three light bulbs can output a total of 1100-Watts of strong light.

Barn doors & Diffuser Frames

Diffusing or modifying the light source is even easier with the included barn doors and diffuser frames.

Light Versatility

Setting the perfect incandescent scene is possible with three different options to choose from:

- One 150-Watt Fresnel Light
- One 300-Watt Fresnel Light
- One 650-Watt Open Face Lights

Three 4-Stage Folding Stands

Setting up lights is quick & easy with the kit's lightweight folding stands.

Functional Soft Case

The soft case is designed to be extremely accessible and portable for any situation.
