

LSKT-004

ON THE GO-04 3PT Tungsten Fresnel Light Kit (*Lightstar*)

ONE SHEET

Overview

The Lightstar ON THE GO-04 three light tungsten kit is durable as well as versatile! Its heavy-duty craftsmanship can output 600-Watts of tungsten light. The kit consists of two 150-Watt fresnel lights and one 300-Watt fresnel light. Barn door and diffuser frames are among the included accessories that set this kit apart from the competition. Three light stands, one soft case with handles, and easy transport casters are also included in the great package.

LSKT-004

Features you need, Prices you want.

Powerful Light Output

Shooters can expect this kit to provide more than enough power for their lighting needs. The three fresnel light bulbs can output a total of 600-Watts of strong light.

Barn doors & Diffuser Frames

Diffusing or modifying the light source is even easier with the included barn doors and diffuser frames.

Light Versatility

Whether it's the 150 or 300-Watt Fresnel light all have the ability to set the perfect incandescent scene.

Three 4-Stage Folding Stands

Setting up lights is quick and easy with the kit's lightweight folding stands.

Functional Soft Case

The soft case is designed to be extremely accessible and portable for any situation.
