

PD2-N

Remote Air 2 Dual Channel WLC (PD Movie)

ONE SHEET

Overview

The Remote Air 2 wireless follow focus is not just a new generation of the Remote Air--it's a new experience. The Remote Air 2 perfectly combines the receiver into the lens motor, reducing the weight by 200g. Imported from Germany, the brushless motor is impeccable and can drive various professional camera lenses such as the Angenieux/Arri Ultra/Cooke.
