

PL60

Piatto 6" Diameter Accent Light

ONE SHEET

Overview

The fixture's slim profile allows you to place the light in numerous shooting environments. Edge-lit technology and no exposed LEDs produce a broad wash of soft accent light.

The daylight 5600K color temp with a 95CRI means you can rely on the color choice. Pre-attached gel clips make for quick and easy color changes.

Aluminum housing creates a rigid but lightweight fixture. Includes three different battery plates - one each for Canon, Panasonic and Sony - expand your power options. A digital readout on the back makes it easy to check battery power and brightness levels

PL60 | Piatto 6" Diameter Accent Light | UPC Code: 847983012428

PL60

Features you need, Prices you want.

Slim Profile

With such a sleek, slim profile, the Piatto series allows you the convenience of being able to be placed anywhere. Tedious set-up and complicated clean up times become a thing of the past when using this series.

Lightweight aluminum frame adds to the elegance of these lights.

Digital Readout

An easy-to-view digital readout indicates battery life as you shoot, as well as a brightness level for the simplest of adjustments.

LM102 Stand Mount

The Piatto family includes a LM102 (5/8" Size Pin) stand mount for easy attachment to any stand.
