

PT-ELITE

Elite iPad Teleprompter Kit

ONE SHEET

Overview

Looking for an inexpensive way to integrate your iPad into your everyday video production workflow? ikan has the solution. The Elite iPad Teleprompter Kit is a complete out-of-the box solution that turns your iPad into a field ready teleprompter. Based on our popular Elements camera support system, ikan's Elite iPad Teleprompter Kit is a portable through the glass teleprompter when you need it and a robust 15mm rod based camera support system when you don't. Compatible with any iPad teleprompter software application and complete with Ikan's EV2 Adjustable Camcorder Baseplate, 12" rods, new and improved high quality 30/70 prompter glass with frame, and an adjustable iPad mount that's compatible with the iPad, iPad 2, iPad 3 and iPad 4.
