PT2100

8" Teleprompter

The perfect solution for small studio or field productions.

The newly re-designed PT2100 Thru the Glass Teleprompter brings together everything necessary in a portable, field teleprompter and combines it with the strong, stable build of a small studio teleprompter. The new design allows for better adjustment in the monitor and glass brackets as well as a more robust construction.

Kit Includes

Teleprompter Frame, Hood, 8" LCD Monitor, and PrompterPro 2.0 Software.
