Q30

Features you need, Prices you want.

Universal Size

Both the height and width are adjustable, so a wide array of devices are compatible.

Bluetooth Control

The included Bluetooth control makes it easy to control your device's shutter button without accessing the phone.

Converting Lenses

The included lenses extend the viewing potentials of your device and also provide a way to attach modifying lenses with a standard 58mm front threading

Multiple Mounting Points

The Q30 can be attached to other accessories and vice versa.

What's Included

- 1 x Q30 Phone Cage
- 1 x 37mm Lens (*Wide Angle Lens with Macro*)
