

iLED-ONE

Interchangeable Single On Camera L.E.D. Light

Just the One

Need to keep things simple? Then ikan's iLED ONE is the on-camera LED light for you. This single, interchangeable bulb LED solution is small, lightweight and durable. Switchable daylight to tungsten bulbs and your choice of a flood or spot light configurations gives you absolute versatility and control.

LED Made Simple

ikan's iLED ONE comes complete with a tungsten 60 degree flood bulb, shoe mount and an in-line power switch. Power supply is sold separately to give you the choice on how to power your light!

The preferred power supply choice is the AC107, equipped with the BCA107 belt clip for your choice of Sony L or BP-U, Canon 900 or Panasonic D54 style batteries. The perfect solution for 'on the go' lighting!
