

# Model: **CHES-JR** Cheese Stick Jr.

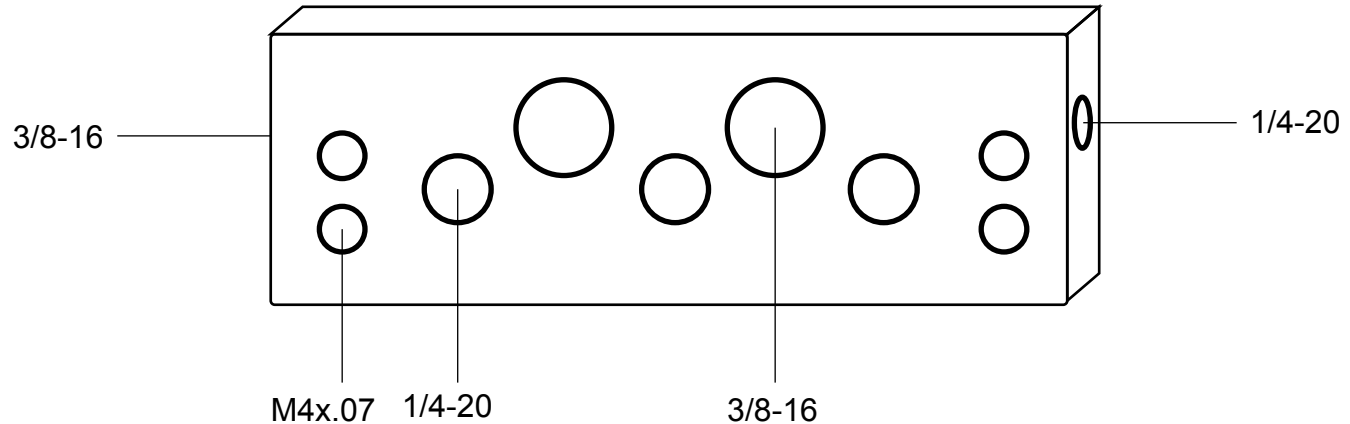

## INTRODUCTION

Thank you for purchasing the ikan CHES-JR. The CHES-JR, Universal Mounting Accessory, is extremely easy to use and will quickly become an integral part of your production kit. For more information on this and many other innovative ikan products, please visit our website: [www.ikancorp.com](http://www.ikancorp.com).

## DIAGRAM

It contains all the standard production industry threads: 1/4-20, 3/8-16, and M4x.07.

\*\* M4x.07 screw holes are mainly for ikan products.
