Features you need, Prices you want.

## EV3 Quick-Release Plate

The EV3 baseplate system enables you to quickly and efficiently mount and dismount your camera — simply press one lever and the quick-release button.

## Height Adjustable

The height of the EV3 baseplate can be adjusted to adapt to different cameras.

## Integrated Tripod Mount

Four (4) 1/4"-20 and four (4) 3/8"-16 thread holes line the bottom of the tripod mount for various mounting options.

## FG Follow Focus

Also included is the ikan FG Follow Focus Cine-Kit. The Follow Focus offers precision machined aluminum construction, lightweight design, beveled dry erase marking disk, and is compatible with all ikan Elements kits and/or any 15mm rod-based camera support system.

## What's Included

- 1 x EV3 Baseplate
- 2 x 12-Inch 15 mm Aluminum Rods
- 1 x Follow Focus Cine-Kit (ELE-FGK)
