GA752S 75mm Video Tripod

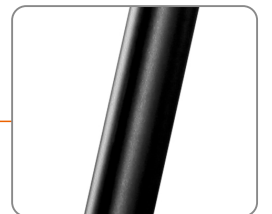

The E-IMAGE GA752S tripod legs are the lightweight version of the incredibly popular GA752. The GA752S has locks on each stage of each leg and includes a GS01 mid-level spreader for added stability. Each leg also ends in a two-pronged spike for biting into soft ground, and each spike comes covered with a rubber foot to protect delicate surfaces.

75mm bowl size.

Ergonomic hand locking knob.

High quality aluminum tube.

Adjustable middle spreader adding extra stability.

Spike foot & big rubber are both available.
