

HomeStream™ Video Kit #1 with 2 Desktop Lights, HDMI Capture Device & Variable Height Camera Stand

Overview

This [ikan HomeStream™ kit](#) comes with everything you need to get started on your professional at-home studio setup. Designed for E-learning, E-conference, live streaming, and online video content creation, this bundle will take your professionalism to a whole new level. Use the HomeStream video capture device to easily capture an HDMI feed straight to your computer. Compared to your standard webcam, your video streaming quality will increase dramatically with the ability to now use DSLRs, pocket cinema cameras, and camcorders. To make things even more convenient, a compact heavy-duty camera stand with adjustable height is bundled in. Finally, two bi-color soft lights are included with stands that feature adjustable swivel and rotation.
