- Variable Stand Height: 13.75" to 21.5"

### Overview

The [Ikan HomeStream™ 6" Diameter Accent Light](#) gives your at-home workspace the professional video quality you've been looking for. Each light comes bundled with a highly durable desktop stand built from steel and a ball head to tilt & rotate the light in any direction. The 7" diameter of the base will ensure your lights will never topple over, even when tilted at a full 90°. The stand's variable height ranges from 13.75" to 21.5" and will clear the height of almost any desktop monitor on the market.

### Achieve a Professional Look

The HS-LR6's brightness levels measure in at 1050 Lux @ 0.5m and will help you minimize camera grain. The light panel itself provides a 75° beam angle and a high CRI of 95; ensuring that your skin will look soft and its color tones will be accurately represented.

### What's Included

- 1 x 6" Diameter Accent Light
- 1 x Table Top Stand w/ Base
- 1 x Heavy Duty Shoe Mount w/ Ball Head
- 1 x Light Power Adapter
- 1 x 3/8"-16 to 1/4"-20 Screw Thread Adapter

- 1 x Carrying Case (For Light + Stand)

### Other HomeStream™ Products

- [HS-KIT-1](#) Kit #1: 2 Lights, Capture Device, Table Top Camera Stand
- [HS-KIT-2](#) Kit #2: 2 Lights, Podcast Microphone & Adjustable Arm
- [HS-KIT-3](#) Kit #3: 2 Lights, Capture Device, Stand, Podcast Mic & Arm
- [HS-VCD-2](#) HDMI to USB Video Capture Device 4K 30fps Input
- [HS-LSTND](#) 21" Variable Height Table Top Camera Stand

### Variable Height

Adjust the height from 13.75 - 21.5" by loosening and tightening the knob attached to the main column.

### Adjustable Rotation & Swivel

Adjust your HS-LR6 light to perfection using Ikan's SM-201 ball head. This allows a 360° rotation, 180° swivel that can be locked in place with a convenient thumbscrew. The ball head also includes 3/8"-16 to 1/4"-20 step-down adapter for additional mounting options.

## Built with Versatility in Mind

The HS-LR6 can function as many different types of lights. Tilt the light down 90° and adjust the color to 5600k for a warm desk lamp. Attach the included shoe mount to use it as an on-camera light. Choose to power it with a Sony L Series batteries, or via the included DC power adapter. The swivel head also comes bundled with a 3/8"-16 to 1/4"-20 adapter for even more mounting options.

## Detachable & Battery Powered

The light can also be detached from the desktop stand and used in various other ways. It can be used on a compact light stand or as an on-camera light thanks to the included shoe mount and 3/8"-16 to 1/4"-20 adapter. You can also power the light on-the-go with an L-Series battery.

## Tidy Setup

Each HS-LR6 comes with 2 cable clamps to help organize your setup to retain a professional & comfortable look & feel.

## Bi-Color

The HS-LR6's brightness and color temperature can be adjusted via 2 knobs on the rear side of the light. The digital readout gives you the ability to quickly pinpoint your settings if you're trying to match multiple lights.
