

TT-0509-R

Wooden Right Hand Grip with Start/Stop Remote Trigger (*Tilta*)

ONE SHEET

Overview

The beautiful, handcrafted Brazilian Rosewood Handgrip features a sleek, ergonomic design on the outside. The interior consists of a built-in remote trigger for start/stop recording. The handgrip is compatible with Arri standard rosette mounts and can be securely rotated 360°. The TT-0509-R comes with a 7-Pin LEMO-to-Micro USB cable specifically designed for the Sony a7 series cameras. It is also compatible with Arri & RED Cameras.

*AAA Battery required with a RED camera.
