E-IMAGE Tripod Kit GA102D-PTZ Instruction Manual

Instructions

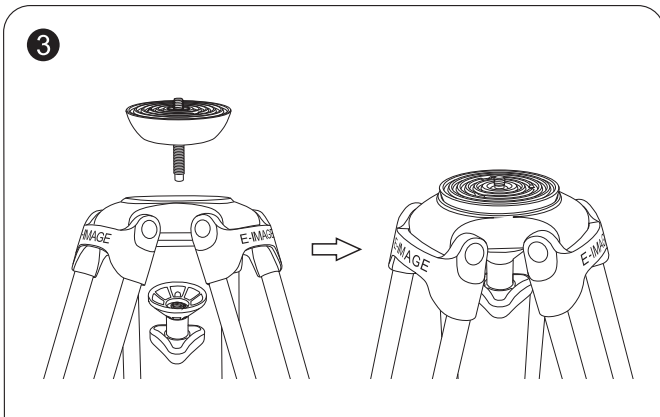

Extending the Dolly:

Rotate the knob in anticlockwise to extend the dolly.

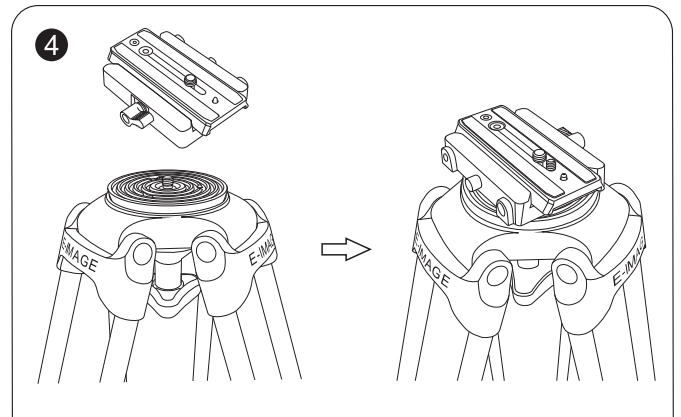

Attaching the Dolly to the Tripod:

As shown in the above illustration, pull the pad-removing tab to attach the dolly to the tripod.

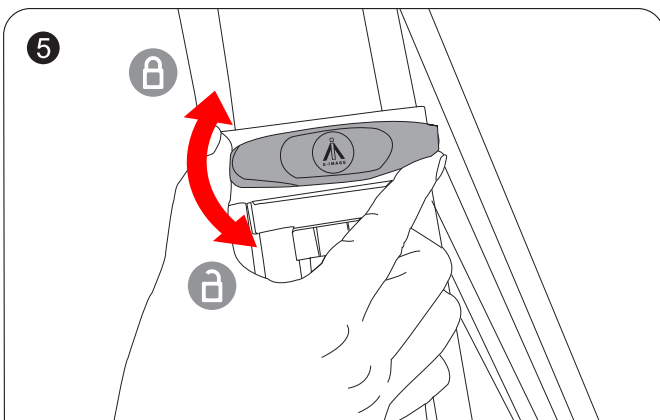

Installing Adapter:

Install the 100BF Adapter.

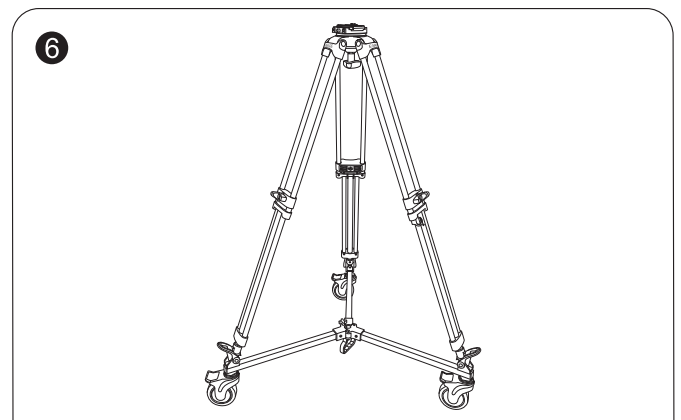

Installing Adapter:

install the P6 Adapter.

Height Adjustment:

Loosen the locking knob, lift the tripod to your desired height, then lock the knob. Repeat the same operation for the other two legs.

Completion:

The setup is now finished.
